

THOUGHTFUL WINE PRODUCTION

SMART WINE PACKAGING

STRATEGIC WINE SHIPPING

OFFICE SUSTAINABILITY

HAPPY PLANET

We work to minimize water used in growing grapes

Our wine bottles contain up to 30% recycled glass

Packaging made with 99% recycled materials and are 100% recyclable

Our magnetic boxes have sustainability awards from:

Recycled water used for cleaning barrels & equipment

Our cork supply is certified by:

We strategically engineer our shippers to use as few packaging materials as possible.

Our office culture is to reduce, reuse, & recycle everything we can!

We work with united farm workers to provide: fair wages, benefits, & working conditions

We proudly participate in:

Our label vendors recycle 100% of their paper waste

All of our coffees exceed commodity market pricing & fair trade minimums.

OUR SUSTAINABILITY & SOCIAL RESPONSIBILITY
